

## Ice Melt

When it snows you need it...CHEMGROUP offer a complete line of liquid and solid ICE MELT products to meet your needs including anti-icing, and de-icing melting type chemicals including liquids and solids for use in no slip high traffic applications. Following recent strong winter conditions and strong demand supply is projected to continue to be tight.

We recommend that our customers exercise contracts and pre-buy options. We can support your efforts and maintain inventory in multiple warehouses and are able to customize solutions to meet the needs of our customers. For more information please contact our sales staff. Delivery options include box trucks, flatbeds, semi-trailers or customer pickup is available.
